How-To

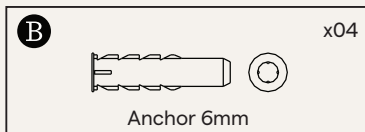

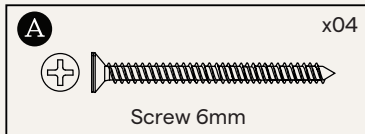

1. Position the included paper templates at the desired heights on your wall, ensuring that they are level. **Please note:** the elephant shelf and the giraffe shelf have different templates and are not interchangeable.
2. Drill corresponding holes in the wall where indicated.
3. Insert an anchor into each hole in the wall, using a hammer for a better fit.
4. Align the holes in each shelf with the holes in the wall.
5. Attach each shelf to the wall using the screws and a Phillips head screwdriver.
6. Repeat steps 1-5 to install the second shelf.
